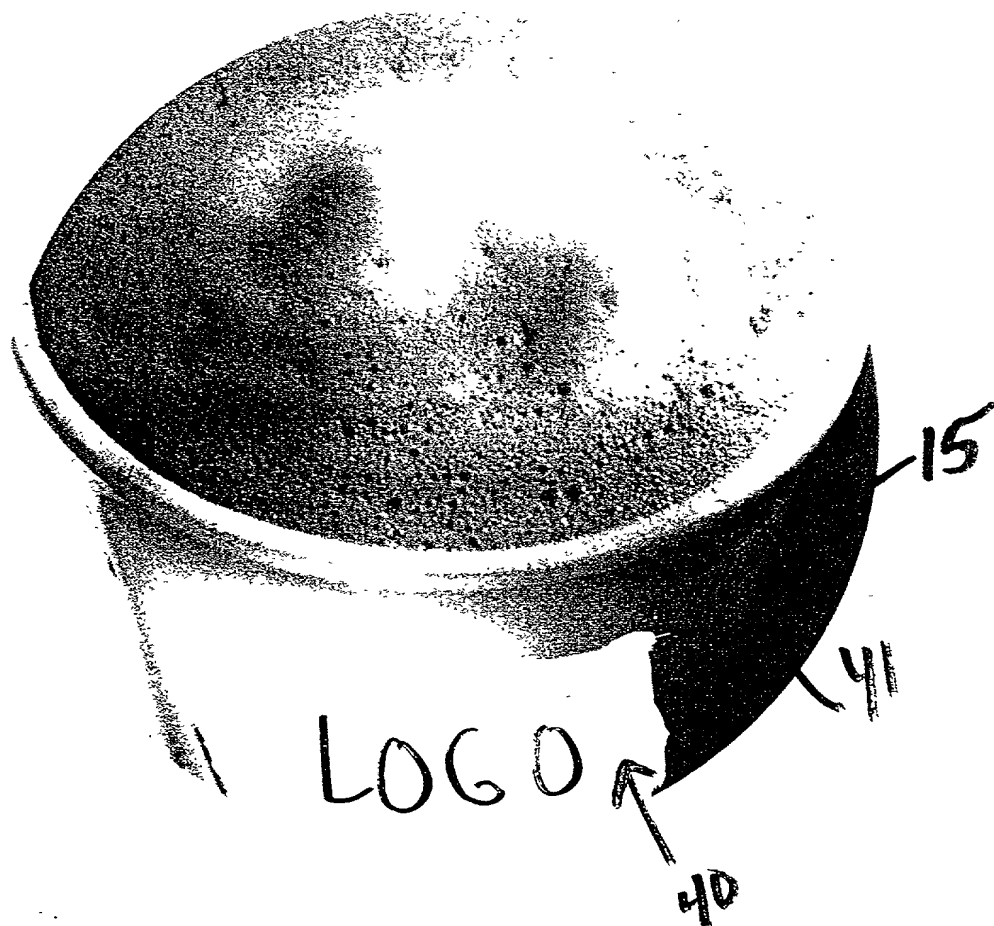

FIG. 11 A

FIG. 11 B

A circular, high-contrast black and white image showing a textured surface, possibly a rock or mineral specimen. The surface is covered in numerous small, light-colored, irregular spots and streaks against a dark background. A small, light-colored circular label with the word "LOGO" is visible near the bottom right edge of the circle. The overall appearance is grainy and high-contrast, typical of a photocopy or a low-quality scan.
